

Dear FTGDCA clubs,

The junior executive is aware that it has become common practice for junior parents to bring their own alcohol in eski's and cooler bags etc to junior games on Friday nights. This practice is not only heavily restricting the home club's ability to make sales over the bar, it is also placing the home club in jeopardy of being in breach of their liquor licence and/or their 'Good Sports Club' affiliation.

Club liquor licenses do not permit BYO alcohol nor do they allow for the consumption of alcohol out on the ovals. Club liquor licenses only allow for the purchase of alcohol from the club and for consumption within the designated '**red line area**' which is usually within the club rooms and may extend out under an attached veranda or similar. (refer to your clubs licences)

Both Knox and Yarra Ranges Councils have local by-laws that also deal with this issue. Both councils prohibit the consumption of alcohol or possession of open liquor in a public place (outside of a licensed venue – red line area.) Penalties do apply and can be issued by both local law's officers and Victoria Police.

This does not entirely prohibit the consumption of alcohol at the clubs on a Friday night. Patrons and spectators can consume alcohol - provided they do so in compliance with local laws and liquor licensing provisions.

Attached below are local laws policies relating to the consumption of alcohol in public places for both Knox City and Yarra Ranges Councils. Also attached is the EFL junior football alcohol policy.

Knox City Council Local laws

9.1 Without a permit **a person must not consume or carry an open receptacle containing alcohol in any public place** except at the times and in the places determined by Council and advertised in a newspaper generally circulating within the municipality.
