

# FTGDCA E-Scoring Help

## Benefits of e-scoring

<https://www.youtube.com/watch?v=-WoBw5ZSqaU&list=PLzx2b5Q9sQVqa-4hbo2rhp7vndi-HTySU&index=12>

## Start of Season requirements

- My Cricket Log in at your club that provides access to your relevant team(s)
- Club or Personal iPad or tablet (ensure software is up to date throughout season)
- Test your login

## Pre-attendance at Ground Each Week

- Charge Battery
- Consider need for battery backup or access to power
- Select your team(s) on My Cricket (much easier)
- Have scorebook for back up
- Download game but don't 'start' game
- A: Scoring a full day of cricket (80 Overs) typically uses just 500kb worth of data.

## Pre-Match requirements

- Arrive early to set up 20 mins before match
- Liaise with opposition scorer and **home team 'starts match' first** and away team uses 'off-line scoring'
- Log in
