Life Membership should not be considered as a competitive matter and nominees must be considered individually and on their personal attributes and achievements and not in comparison to others. While it is inevitable comparisons will be made with past recipients, direct comparisons should not be made.

Granting Life Membership is a balancing exercise. Criteria are provided as guidance, but it is the overall contribution of the nominee to the association that must be evaluated. There is necessarily some subjectivity in the granting of life membership, nominee's strengths against the various criteria will vary.

To assist with the nomination, some or all of the following criteria should be considered.

For any of the relevant criteria the nominee should have demonstrated an exceptional contribution beyond the ordinary for an extended period of time, which has a measurable benefit to the association and membership.

(vi) The nominee has provided valued leadership around the association and is considered a role model?

(3) OBJECTIONS AND RETRACTIONS OF HONORARY LIFE MEMBERSHIP

Retraction of Life Membership bestowment may occur where the recipient has conducted themselves in a manner that reflects directly and adversely on the image or activities of the association. This provision will only be exercised in exceptional circumstances and will require the full support of the Executive Committee & club delegates. As part of the deliberation the 'Honorary Life Member' in question is also to be given an opportunity to present their case for retention of their status.
